Note: Every team has 3 divisional games for a total of 6 games.

- A Every team from a NFC Division plays every team from an AFC Division (and vice-versa) for a total of 4 games.
- B Every team from a NFC Division plays every team from another NFC Division (same with AFC) for a total of 4 games.
- C Every team from a NFC Division plays a team from other 2 NFC Divisions (same w/ AFC) whose seed matches theirs from previous season's standings for a total of 2 games.
- D Every team from a NFC Division plays 1 team from another AFC Division (& vice-versa) whose seed matches theirs from previous season's standings for a total of 1 game.
- \* Team plays the same seed as them in division(s) listed based on previous season's standings.
